PRESS RELEASE

Fitch Solutions joins ELFA partner programme to offer its multi-platform services and insights to ELFA members

17 November 2025, London: The European Leveraged Finance Association (ELFA) is delighted to announce that Fitch Solutions is becoming an Insights partner with immediate effect, to offer insights and services across the leveraged finance landscape in support of ELFA members' knowledge and risk management.

Fitch Solutions integrated offerings span real-time market intelligence, granular loan, bond and deal data, sustainability impact metrics, and forward-looking credit research. They provide legal and structural analysis that decodes complex terms and highlights key protections – especially critical for CLO investors and structured finance professionals. With comprehensive coverage and seamless workflow integration, Fitch Solutions empowers market participants to stay ahead of developments and make confident, informed decisions across the leveraged finance spectrum.

ELFA members will be offered direct access to Fitch Solutions insights and services via ELFA Seminar Series that include webinars, information sharing and discussions, and through ELFA's Expert Hub on the portal for members.

Ed Eyerman, ELFA CEO said, "Fitch Solutions provides valuable intelligence, insights and data across all aspects and asset classes of lev fin – ranging from covenants to special situations to ESG metrics and everything in between – and we are pleased to introduce our members to their integrated multi-platform offering and senior team."

Erin Lyons, Head of CreditSights, said: "We look forward to working with ELFA to help its members navigate increasingly complex market conditions, equipping them with real-time intelligence and data from CreditSights, Sustainable Fitch, and RDR to manage risk and make informed investment decisions."
